[C] **Sylvie**, **Sylvie**, I'm so hot and [Am] dry

[C] **Sylvie, Sylvie,** [G7] Can't you hear me… Can't you hear me, cryin'

[C] Bring a little water, Sylvie

[C] Bring a little water [G7] now

[C] Bring a little water, [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while,   [C] Ev'ry little [G7] once in a [C] while,

Well [C] Sylvie says she loves me, But I believe she [Am] lies
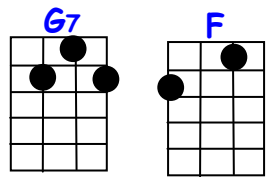

[C] She hasn't been to [F] see me, Since the [C] last day [G7] in Ju-[C]-ly

[C] Don't you hear me callin', Sylvie

[C] Don't you hear me callin', [G7] now

[C] Don't you hear me callin', [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while,   [C] Ev'ry little [G7] once in a [C] while,

[C] **Sylvie**, **Sylvie** I'm so hot and [Am] dry

[C] **Sylvie, Sylvie,** [G7] Can't you hear me…. Can't you hear me cryin',

[C] Can't you hear me cryin',   Sylvie

[C] Can't you hear me cryin',   [G7] now

[C] Can't you hear me cryin',   [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while,   [C] Ev'ry little [G7] once in a [C] while,

She [C] brought me little coffee, she brought me little [Am] tea

She [C] brought me nearly [F] every damned thing

But she [C] didn't bring the [G7] jailhouse [C] key

[C] Little drink of water [G7] wouldn't satisfy me

[C] Bring me little bucket, Sylvie

[C] Bring me little bucket [G7] now

[C] Bring me little bucket, [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while, [C] Ev'ry little [G7] once in a [C] while,

[C] Looka, looka, yonder,   What is that I [Am] see?

I [C] thought it was my [F] little Syl-vie, [C] Comin' [G7] after [C] me.

[C] Sylvie come a-running, Sylvie

[C] Sylvie come a-runnin' [G7] now

[C] Sylvie come a-running, [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while,   [C] Ev'ry little [G7] once in a [C] while,

[C] **Sylvie**, **Sylvie**, I'm so hot and [Am] dry

[C] **Sylvie, Sylvie,** [G7] Can't you hear me… Can't you hear me, cryin'

[C] Bring a little water, Sylvie

[C] Bring a little water [G7] now

[C] Bring a little water, [F] Sylvie

[C] Ev'ry little [G7] once in a [C] while

    [C] Ev'ry little [G7] once in a [C] while,

        [C] Ev'ry little [G7] once in a [C] while,
