Additional Lyrics

- How many times must a man look up, before he can see the sky?
Yes 'n' how many ears must one man have, before he can hear people cry?
Yes 'n' how many deaths will it take 'til he knows, that too many people have died?
The answer, my friend, is blowin' in the wind, the answer is blowin' in the wind.
- How many years can a mountain exist, before it is washed to the sea?
Yes 'n' how many years can some people exist, before they're allowed to be free?
Yes 'n' how many times can a man turn his head, pretending that he just doesn't see?
