

Gig List for BUG for October 1, 2022

Jam Leader - Wendy Bohlke

**Suggestion:**

Because Halloween is later this month, Wendy asked Carla CJ Jennings to add the Halloween gig list our friend Terry Poth put together for BUG in 2013. If you have the set, great!

**Homework before October 1:** For most songs on this list, type into your search engine the **song name, Youtube, Lyrics**

**Listen to each song and sing along - do not touch your ukulele - just sing! Most of the Youtube versions are not in the same key as our sheets, so don't bother playing along. Just sing!**

If you have time, you could do the same with the Halloween songs. Have some fun - by yourself and/or with your roomies!

**Can't Buy Me Love, p. 48** (Yellow Book - all Yellow Book today except for Halloween songs)  
(if you know how to reduce the speed of the playback to 75%, I recommend it. You go to the grey gear icon on the bottom line of the song on Youtube, select playback speed and choose 75%)
