

# You Are My Sunshine

CHORUS:           C                                   C7  
You are my sunshine, my only sunshine  
                  F                                   C   C7  
You make me happy when skies are gray  
                  F                                   C       Am  
You'll never know dear, how much I love you  
                  C                   G7           C  
Please don't take my sunshine away.

                  C                                   C7  
The other night dear, as I lay sleeping  
                  F                                   C   C7  
I dreamed I held you in my arms  
                  F                                   C       Am  
When I awoke, dear, I was mistaken  
                  C                   G7           C   G7  
So I hung my head and cried.

--CHORUS--

                  C                                   C7  
I'll always love you and make you happy,  
                  F                                   C   C7  
If you will only say the same.  
                  F                                   C       Am  
But if you leave me and love another,  
                  C   G7           C   G7  
You'll regret it all some day.

--CHORUS--

You told me once, dear, you really loved me  
And no one else could come between.  
But now you've left me and love another;  
You have shattered all of my dreams.

--CHORUS--

In all my dreams, dear, you seem to leave me  
When I awake my poor heart pains.  
So when you come back and make me happy  
I'll forgive you dear, I'll take all the blame.

--CHORUS--
